The month in brief

July 2026 saw modest movement on cannabis-related legislation, with five bills advancing across four states. Delaware and New Hampshire each enacted new laws, while New York sent a bill to the governor's desk after passage by both chambers. California accounted for the most activity with two bills advancing through committee.

Signed into law in 2026

MO	<u>SB 904</u>	SS/SB 904 - This act modifies the definition of "industrial hemp" in statute, as well as adds a definition of "hemp" and removes a definition of "illegal industrial hemp". Under this act, no state agency or state employee shall disclose any personally identifying information of persons who have applied for or obtained a qualifying patient identification card, a qualifying patient cultivation identification card, or primary caregiver identification card for medical marijuana to the federal government or any federal employee, or other unauthorized third party, unless required to do so pursuant to a subpoena or court order issued by a court. Any person who knowingly violates this act shall be guilty of a class E felony. Upon the written request of a consumer, a marijuana dispensary shall not create or retain any record containing a consumer's identifying information. This provision shall not apply to any constitutionally - mandated record - keeping requirements relating to qualifying patients and primary caregivers.	■ Passed committee	15 May 2026

State	Bill	Title	Current status	Last action
		Dispensary facilities that violate the provisions of this act shall be assessed a \$2,500 fine per occurrence. These provisions are substantially similar to SS/SCS/SB 54 (2025). This act establishes the "Intoxicating Cannabinoid Control Act". Under this act, intoxicating hemp - derived products shall be considered marijuana and regulated as marijuana is regulated by the Department of Health and Senior Services under the Missouri Constitution. The cultivation, production, manufacturing, testing, transportation, and retail sale within Missouri of all intoxicating hemp - derived products shall be conducted solely by licensed comprehensive, medical, testing, and marijuana microbusiness facilities. The Attorney General, the Department of Health and Senior Services, the Department of Public Safety, prosecuting and circuit attorneys, and other state agencies shall collaborate to enforce these provisions as described in the act. Hemp and industrial hemp shall not be subject to regulation under these provisions. No person or entity engaged in the sale of cannabidiol (CBD), hemp, marijuana, cannabinoids, hemp - derived cannabinoid products, or related		

State	Bill	Title	Current status	Last action
		paraphernalia, other than a comprehensive or medical marijuana dispensary facility or a microbusiness dispensary facility, shall carry on, conduct, or transact business under a name that contains as part of the name the word "dispensary". Any person or entity in violation of these provisions shall be guilty of a class D felony and subject to an administrative fine of \$5000 per transaction, as described in the act. These provisions are similar to provisions in SS/SCS/SB 54 (2025). SARAH HASKINS		
MO	<u>SB 993</u>	SCS/SB 993 - This act creates licenses for hemp beverage manufacturers, hemp beverage wholesalers, and hemp beverage retailers. No person, cooperative, or business holding any one of the three types of hemp beverage licenses can hold either of the other two types of hemp beverage licenses and shall not have a financial interest, either direct or indirect, in a person, cooperative or business holding any of the other two types of hemp beverage licenses. However, a person, cooperative, or business may hold both a hemp beverage manufacturer and hemp beverage retailer license, but may only operate hemp beverage retail operations	■ Passed committee	10 February 2026

State	Bill	Title	Current status	Last action
		onsite at the premises where the hemp beverage product is manufactured. Hemp beverage manufacturers may solicit and sell hemp beverage products to hemp beverage wholesalers, but shall not sell directly to a hemp beverage retailer. Hemp beverage wholesalers can solicit and sell hemp beverage products to hemp beverage retailers. A person, cooperative, or business holding a hemp beverage manufacturer license, hemp beverage wholesaler license, or a hemp beverage retailer license, or any allowable combination thereof, shall not hold a marijuana facility license. No hemp beverage wholesaler or hemp beverage retailer shall distribute or sell any hemp beverage products that they know or reasonably should know were manufactured outside of the United States. Unfinished hemp extract may be imported or exported as described in the act. The act specifies the qualifications to receive a license, fees for licensure, and the application process, as well as the health, safety, permissible ingredients, testing, and transportation standards. The act also outlines the packaging and labeling requirements for hemp beverages. Any hemp beverage manufacturer or wholesaler who violates such		

State	Bill	Title	Current status	Last action
		health and safety standards, or permits its employees, officers, or agents to do so, will be guilty of a misdemeanor, and upon conviction will be subject to specified fines. This act prohibits the sale of hemp beverages to anyone under the age of 21. Anyone who sells hemp beverages shall also be 21 years old. A manufacturer, wholesaler, or retailer of a hemp beverage product shall not advertise, market, or offer for sale the product by using, in the labeling or design of the product or product packaging or in advertising or marketing materials for the product trade dress, trademarks, branding, or other related materials, any imagery or scenery that depicts or signifies characters or symbols known to appeal primarily to persons under 21 years of age. Under this act, retailers and wholesalers shall have 120 days, beginning August 28, 2026, to sell any hemp beverage products in inventory as of August 28, 2026, provided such products comply with the provisions of this act. Any remaining products not removed from inventory shall be subject to forfeiture and destruction, as described in the act. Under this act, an excise tax at a rate of 7% shall be imposed on the retail sale of a hemp beverage product. This act is similar to SB 697 (2025), HB 463

Source: Open States. Statuses show where each bill stood on 20 August 2026, when this issue was generated, rather than at the end of the period.

Tracker definitions are model-drafted and validated by retrieval measurement. They are not a lawyer's definition of a practice area.

The summary and the one-line notes under each bill were written by us.anthropic.claude-opus-4-5-20251101-v1:0 from the data in this issue. Every figure, bill and date is from the record; the sentences around them are not legal advice.

† Matched on the bill's title alone, because the platform does not yet hold that bill's full text. Every other bill is matched on its whole document.
